Y05504	Black-throated Finch (Diggles)	<i>Poephila cincta atropgialis</i>	Basic	Exempt
Z00667	Black-throated Finch (Parson)	<i>Poephila cincta cincta</i>	Basic	Exempt
M00146	Black-winged Stilt	<i>Himantopus himantopus</i>	Specialist	Basic

This draft (April 2016) of proposed species movements to new keeping schedules has been developed from consultations with many permit holders and interested parties. Advice received during this public consultation proposing alternative scheduling of species will be considered by DEWNR before the regulations come into force.

There is no schedule for Specialist species. They are indicative of those species that have not been placed within Schedules 6 (Basic permit) or 7 (Exempt from permit) but require a Specialist permit (or other approved permit) if you have them in your possession.
