Community Consultation

CONSULTATION

The Government wants all South Australians to understand what the Nuclear Fuel Cycle Royal Commission Final Report is saying.

Panya kamanta mukuringanyi uwankara South Australia-nya ngurara tjuta nintiringkunyjtjaku nyanga Nuclear Fuel Cycle Royal Commission tjukurpa malatjangku wangkanyi.

The Government also wants to understand what South Australians think about the report

Panya kamanta mukuringanyi kulira nintiringkunyjtjikitja nyaa South Australia-la nguru uwangkarangku kulilku tjukurpa malatja-nguru.

From July to October in 2016, the Government will visit communities all over South Australia so people can learn about, and talk about, the final report.

July-nguru munu October-kutu 2016-pangka, kamanta ankuku panya South Australia-la nyinapai uwankara kutu palula ngurulta Anangu nintiringkula wangkama nyanga tjukurpa malatja tjara.

CITIZENS' JURY

Before the Government comes to talk to people, there is a meeting called a Citizen's Jury.

Kamanta pitjantja kuwaripangka Anangu uwankara wangkanyjtjikitja, tjunguringkula wangkara nyara Citizens' Jury-ku.

The Citizens' Jury involves different people coming together from all over South Australia, men and women, young and old, to talk to experts and learn more about the report.

Citizens Jury alatjtjara Anangu (Anangu munu piranpa) mungilyi tjunguringanyi South Australia-la nguru uwankara wati munu minyma, yangupula munu pampa, tjilpingka wangkara nintiringkunyjtjaku ninti tjutangka munu piruku pulkara alatitju nintiriwa nyanga tjukurpa malatjaku.

The first Citizens' Jury talked about the most important parts of the report to learn about and think about.

Ka kuranyitja Citizen's Jury-ngku wangkaku nyanga pulka mulapa tjukurpa malatjangku kulintjaku munu wangkara kulira nintiringkunyjtjaku.

The Citizens' Jury wrote a report.

Anangu munu piranpa mungilyingku nyiringka tjukurpa tjunu.

COMMUNITY CONSULTATION

After this first Citizens' Jury, there will be many discussions with communities around South Australia about the report. This will happen between July and September, including Anangu Pitjantjatjara Yankunytjatjara and Maralinga Tjarutja communities.

Nyanga palula malangka Citizen Jury kuranyitjanku tjuta mulapa ngaranyi wangkara kulintjaku community uwankara nyanga South Australia-la nguru kutju panya tjukurpa malatja tjara. July-ngka munu September-ngka ngururpa kunyu tjatariku Anangu Pitjantjatjara Yankunytjatjara munu Maralinga Tjarutja community nguru.

Anangu can have a say on these things. You can let the Government know if you agree or disagree with what the report is saying.

Anangungku wangkanyjtjaku ngaranyi nyanga tjanaya tjara. Nyuntu kamanta-nga kulintjaku tjakulytjura nintiringkunyjtjaku tjingurun mukuringanyi tjingurun mukuringkunyjtja wiya nyanga tjukurpa malatjaku.

SECOND CITIZENS' JURY

After these discussions, what South Australians have said will be taken to a big Citizen' Jury.

Palulanguru wangkara wiyaringkunyangka South Australia-la nguru panya uwankara wangkanyjtja piruku ma katingu palu tjanampa wangka tjanampa.

These people will learn about what Anangu and other South Australians have said about the report.

Anangu nyanga tjana nintiringkuku Anangu kutjupa tjuta nguru munu South Australianya ngurara kutjupa tjuta nguru kulu.

They will also talk to experts and learn more.

Tjana Anangu nintipukangka wangkaku munuya piruku pulkara nintiringkuku.

The big Citizens' Jury will tell the Government what South Australians think about nuclear waste disposal.

Ka panya Piranpa munu Anangu mungilyingku tjakulytjankuku kamanta panya South Australia-ngku kulira nuclear waste-ku manta unngu tjunutjunanyi parari.

GOVERNMENT DECISION

The Government will listen to what South Australians have said.

Panya kamantalu kulilku South Australia ngurara tjuta wangkanyjtja.

After that, the Government will make a decision.

Munu nyara palulanguru kamantalungku palyalku palumpa kulintja.

The Government might agree with the report, and do more of the nuclear fuel cycle in South Australia.

Panya kamatalu tjinguru palyanmankuku tjukurpa malatjatjara munu palyalku piruku panya nuclear fuel cycle nyanga South Australia-ngka.

The Government might say no to the report.

Panya kamantangku tjinguru wiyamankuku tjukurpa malatjatjara In November, the Government will say what they think about the report.

Ka panya November-ngka kamantangku wangkaku panya tjana kulintjatjara tjukurpa malatjatjara
