 - (iii) a person who holds a qualification, or who has undertaken training, approved by the Board for the purposes of this paragraph; or
 - (iv) a person authorised by the Board to implant microchips for the purposes of the Act;
 - (d) the microchip must be permanently implanted.
- (2) Pursuant to section 42A(5)(d) of the Act, a person or body, or dog or cat, of a class declared by the Board by notice in the Gazette to be exempt from the operation of section 42A of the Act is so exempt.
- (3) An owner of a dog or cat who is granted an extension of time under regulation 13 in respect of the operation of section 42A is exempt from the operation of that section during the period of the extension.
- (4) A person who microchips a dog or cat must, not later than 3 business days after doing so—
- (a) provide to a microchip registry the following information:
 - (i) his or her name and telephone number;
 - (ii) the identification number of the microchip implanted in the dog or cat;
 - (iii) the name, residential address and telephone number of the owner of the dog or cat; and
 - (b) give the owner of the dog or cat written notice—

- (i) setting out the identification number of the microchip implanted in the dog or cat; and
- (ii) identifying the microchip registry to which the information under paragraph (a) is, or is to be, provided.

Maximum penalty: \$2 500.

Expiation fee: \$170.

- (5) The owner of a dog or cat that is microchipped must, within 14 days of any change to the information referred to in subregulation (4)(a)(iii), provide the microchip registry to which the information referred to in subsection (4) is provided with the new information.

Maximum penalty: \$2 500.

Expiation fee: \$170.

- (6) The owner of a dog or cat that is microchipped must, in a manner and form determined by the Board, provide the identification number of the microchip implanted in the dog or cat to the Registrar for the area in which the dog or cat is (or is to be) usually kept.

Maximum penalty: \$2 500.

Expiation fee: \$170.

- (7) For the purposes of section 42A of the Act, a dog or cat that is microchipped in another State or Territory, in accordance with the law of that State or Territory, will be taken to have been microchipped in accordance with the requirements set out in this regulation if the microchip—

- (a) conforms to *AS 5018-2001 Electronic Animal Identification—National Coding Scheme* or *AS 5018-2001 Electronic Animal Identification—Radiofrequency Methods*; and
- (b) records a unique identification number assigned to the microchip.

10—Identification of dogs and cats

For the purposes of section 42C(1) of the Act, dogs or cats being trained for, or participating in, an organised activity being a race, trial, class or show or in retrieving, hunting or other sporting exercise customarily involving the running of 1 or more dogs or cats are declared to be excluded from the operation of that section.

11—Requirements relating to desexing dogs and cats—section 42E of Act

- (1) For the purposes of section 42E of the Act, a dog or cat is to be desexed in accordance with the following requirements:

- (a) the dog or cat must be desexed—
 - (i) before it is 6 months of age; or
 - (ii) within 28 days after the owner takes possession of the dog or cat; or
 - (iii) if the owner of a dog or cat is granted an extension of time under regulation 13—before the day specified in the notice of extension by which the dog or cat must be desexed,

whichever is the later;

- (b) the dog or cat must be desexed by a registered veterinary surgeon.
- (2) Pursuant to section 42E(4)(d) of the Act—
 - (a) a greyhound that is registered with the controlling body in accordance with the rules of Greyhound Racing SA (not being a greyhound that has been retired from racing); and

- (3) An owner of a dog or cat who is granted an extension of time under regulation 13 in respect of the operation of section 42E is exempt from the operation of that section during the period of the extension.
- (4) For the purposes of section 42E of the Act, a dog or cat that is desexed in another State or Territory, in accordance with the law of that State or Territory, will be taken to have been desexed in accordance with the requirements set out in this regulation.

12—Exemption from sections 42A, 42E and 70 of Act

- (1) A registered veterinary surgeon may, by notice in writing, exempt the owner of a dog or cat from the operation of section 42A, 42E or 70 of the Act (or all of those sections) if the registered veterinary surgeon is satisfied that to microchip or desex the dog or cat (as the case requires) would—
 - (a) pose an undue risk to the health of the dog or cat; or
 - (b) adversely affect the growth, development or wellbeing of the dog or cat
- (2) An exemption under this regulation remains in force—
 - (a) in the case of an exemption referred to in subregulation (1)(a)—for the period specified by the registered veterinary surgeon in the notice (which may, to avoid doubt, be an indefinite period); or
 - (b) in any case—for the period (not exceeding 18 months) specified by the registered veterinary surgeon in the notice.
- (3) A notice under subregulation (1) must—
 - (a) be in a form approved by the Board; and
 - (b) contain the information required by the Board for the purposes of this paragraph; and
 - (c) specify the period during which the exemption is in force,(however, the validity of an exemption is not affected by non-compliance with this subregulation).
- (4) A registered veterinary surgeon must, as soon as is reasonably practicable after exempting a person under this regulation, provide the Board with such information as the Board may reasonably require relating to the exemption.
- (5) The Board, or the registered veterinary surgeon who issued a certificate of exemption, may, by notice in writing, vary or revoke an exemption if satisfied that the grounds on which the exemption was granted are no longer applicable to the relevant dog or cat.

13—Board may grant extension of certain time periods

- (1) The Board may, on application or on its own motion, extend, by such period as the Board thinks fit, 1 or both of the following:
 - (a) the period within which a specified dog or cat must be microchipped under section 42A of the Act;
 - (b) the period within which a specified dog or cat must be desexed under section 42E of the Act.
- (2) An extension—
 - (a) may be conditional or unconditional; and
 - (b) may be varied or revoked by the Board for any reason the Board thinks fit.
- (3) On extending a period under subregulation (1), the Board must issue to the owner of the dog or cat a notice in writing (a *notice of extension*)—
 - (a) identifying the person to whom the notice is issued; and
 - (b) identifying the dog or cat to which the notice relates; and
 - (c) specifying the date by which each dog or cat to which the notice relates must be microchipped or desexed or both (as the case requires).

14—Power to destroy cats

For the purposes of section 63(1)(d)(v)(C) of the Act, a person or body approved by the Board is specified.

15—Power to seize and detain cats

For the purposes of section 64(2)(b)(iii) of the Act, a person or body approved by the Board is specified.
